COMMITTEE ON FOREIGN RELATIONS

WASHINGTON, DC 20510-6225

February 16, 1988

The Honorable George P. Shultz
Secretary of State
Department of State
Washington, D.C. 20520

Dear Mr. Secretary:

Questions have been raised concerning the application of articles 2, 7 and 14 of the INF Treaty, most recently in an article by Senator Quayle published in the February 8 edition of the Wall Street Journal, a copy of which is enclosed.

I have already requested further information on article 14 in earlier correspondence with you, and I now request that you expand your comments to include a discussion of articles 2 and 7 as they relate to new "types" of missiles.

With every good wish.

Ever sincerely,

Claiborne Pell
